ELEPHANT PLAINS LODGE QUEEN ELIZABETH NATIONAL PARK

LOCATION

- Just 1km from the Equator, Elephant Plains Lodge is reached along the Bwera road, a 15-minute drive from the park gate.

USEFUL INFORMATION

- The lodge is connected to national electricity grid and has a back up generator. We kindly request that you use power sensitively and turn off lights and equipment when not in use.
- Power is provided with 3 pin British plugs and all cameras, phones, laptops etc can be charged in your room.
- Please note that Elephant Plains Lodge is situated in a wildlife habitat, therefore we kindly request that you leave your doors closed after entering and leaving your room. Please do not bring food into the rooms as it can attract insects and other animals. Please allow a member of our team to accompany you to your room during the hours of dusk and dawn.
